OFFICE OF PETITIONS

In re Patent of	:
Barry H, Schwab	:
Patent No.: 5,973,731	:
Issue Date: 10/26/1999	:
Application No. 08/453393	:
Filing or 371(c) Date: 05/30/1995	:
Title of Invention:	:
SECURE IDENTIFICATION SYSTEM	:

ON PETITION

This is a decision on the petition under 37 CFR § 1.378(b), filed May 23, 2012, to reinstate the above-identified patent.

The petitions are **DISMISSED**.

Any further petition to revive the above-identified application must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137." This is **not** final agency action within the meaning of 5 U.S.C. § 704.

**Background**

The patent issued October 26, 1999. Patentee could have paid the seven and one half (7½) year maintenance fee between October 26, 2006, and April 26, 2007, without a surcharge, or within the six (6) month grace period between April 27, 2007 and October 26, 2007. Patentee failed to do so; accordingly, the patent became expired on October 27, 2007.

**The present petition**

Patentee files the present petition and provides, in relevant part, that the patent was assigned to Ronald Thomas, and that Mr. Thomas arranged for payment of the first maintenance fee. However, Mr. Thomas failed to submit payment of the second maintenance fee.

Petitioner provides further that petitioner herein regained ownership of the patent in a Court Order dated March 14, 2012 (copy enclosed), and files the present petition to reinstate the expired patent.

### **The Maintenance fee and surcharge**

Office records reveal that this Office has not received the surcharge required for filing the present petition, or the maintenance fee.

### **Applicable Law, Rules and MPEP**

37 CFR 1.378(b) provides that a patent may be reinstated at any time following expiration of the patent for failure to timely pay a maintenance fee. A petition to accept late payment of a maintenance fee, where the delay was unavoidable, must include:

- (A) the required maintenance fee set forth in 37 CFR 1.20(e)-(g);
- (B) the surcharge set forth in 37 CFR 1.20(i)(1); and
- (C) a showing that the delay was unavoidable since reasonable care was taken to ensure that the maintenance fee would be paid timely and that the petition was filed promptly after the patentee was notified of, or otherwise became aware of, the expiration of the patent.

The required showing must enumerate the steps taken to ensure timely payment of the maintenance fee, the date and the manner in which patentee became aware of the expiration of the patent, and the steps taken to file the petition promptly. Furthermore, an adequate showing requires *a statement by all persons with direct knowledge of the cause of the delay*, setting forth the facts as they know them. Copies of all documentary evidence referred to in a statement should be furnished as exhibits to the statement. (Emphasis supplied).

As language in 35 U.S.C. § 41(c)(1) is identical to that in 35 U.S.C. § 133 (i.e., “unavoidable” delay), a late maintenance fee for the unavoidable delay standard is considered under the same standard for reviving an abandoned application under 35 U.S.C. § 133. *See Ray v. Lehman*, 55 F.3d 606, 608-09, 34 USPQ2d 1786, 1787 (Fed. Cir. 1995) (quoting *In re Patent No. 4,409,763*, 7 USPQ2d 1798, 1800 (Comm'r Pat. 1988), *aff'd sub nom. Rydeen v. Quigg*, 748 F. Supp. 900, 16 USPQ2d 1876 (D.D.C. 1990), *aff'd*, 937 F.2d 623 (Fed. Cir. 1991) (table), *cert. denied*, 502 U.S. 1075 (1992)). *See MPEP* § 711.03(c) for a general discussion of the “unavoidable” delay standard.

As 35 U.S.C. § 41(c) requires the payment of fees at specified intervals to maintain a patent in force, rather than some response to a specific action by the Office under 35 U.S.C. § 133, a reasonably prudent person in the exercise of due care and diligence would have taken steps to ensure the timely payment of such maintenance fees. *Ray*, 55 F.3d at 609, 34 USPQ2d at 1788. That is, an adequate showing that the delay in payment of the maintenance fee at issue was “unavoidable” within the meaning of 35 U.S.C. § 41(c) and 37 CFR 1.378(b)(3) requires a showing of the steps taken to ensure the timely payment of the maintenance fees for this patent. *Id.* Thus, where the record fails to disclose that the patentee took reasonable steps, or discloses that the patentee took no steps, to ensure timely payment of the maintenance fee, 35 U.S.C. 41(c)

and 37 CFR 1.378(b)(3) preclude acceptance of the delayed payment of the maintenance fee under 37 CFR 1.378(b).

In view of the requirement to enumerate the steps taken to ensure timely payment of the maintenance fee, the patentee's lack of knowledge of the need to pay the maintenance fee and the failure to receive the Maintenance Fee Reminder do not constitute unavoidable delay. See Patent No. 4,409,763, *supra*. See also Final Rule entitled "Final Rules for Patent Maintenance Fees," published in the Federal Register at 49 Fed. Reg. 34716, 34722-23 (August 31, 1984), and republished in the Official Gazette at 1046 Off. Gaz. Pat. Office 28, 34 (September 25, 1984). Under the statutes and rules, the Office has no duty to notify patentees of the requirement to pay maintenance fees or to notify patentees when the maintenance fees are due. It is solely the responsibility of the patentee to assure that the maintenance fee is timely paid to prevent expiration of the patent. The lack of knowledge of the requirement to pay a maintenance fee and the failure to receive the Maintenance Fee Reminder will not shift the burden of monitoring the time for paying a maintenance fee from the patentee to the Office. Thus, evidence that despite reasonable care on behalf of the patentee and/or the patentee's agents, and reasonable steps to ensure timely payment, the maintenance fee was unavoidably not paid, could be submitted in support of an argument that the delay in payment was unavoidable.

Moreover, the Patent and Trademark Office must rely on the actions or inactions of duly authorized and voluntarily chosen representatives of the applicant, and applicant is bound by the consequences of those actions or inactions. Link v. Wabash, 370 U.S. 626, 633-34 (1962); Huston v. Ladner, 973 F.2d 1564, 1567, 23 USPQ2d 1910, 1913 (Fed. Cir. 1992); see also Haines v. Quigg, 673 F. Supp. 314, 317, 5 USPQ2d 1130, 1132 (D.N. Ind. 1987). Specifically, petitioner's delay caused by the actions or inactions of his voluntarily chosen representative does not constitute unavoidable delay within the meaning of 35 USC 133 or 37 CFR 1.137(a). Haines v. Quigg, 673 F. Supp. 314, 5 USPQ2d 1130 (D. Ind. 1987); Smith v. Diamond, 209 USPQ 1091 (D.D.C. 1981); Potter v. Dann, 201 USPQ 574 (D.D.C. 1978); Ex parte Murray, 1891 Dec. Comm'r Pat. 130, 131 (Comm'r Pat. 1891). In re Mattullath, 38 App. D.C. 497, 514-15 (1912)(quoting Ex parte Pratt, 1887 Dec. Comm'r Pat. 31, 32-33 (1887)); see also Winkler v. Ladd, 221 F. Supp. 550, 552, 138 USPQ 666, 167-68 (D.D.C. 1963), aff'd, 143 USPQ 172 (D.C. Cir. 1963); Ex parte Henrich, 1913 Dec. Comm'r Pat. 139, 141 (1913).

However, Petitioner should note that a breakdown of communication between petitioner and their client is not considered to be grounds for granting a petition for late payment of the maintenance fee under the unavoidable standard. See, Ray v. Lehman, 55 F.3d 606, 608-09, 34 USPQ2d 1786, 1787 (Fed. Cir. 1995).

### Opinion

Petitioner is advised that before the merits of the petition may be considered, the surcharge and maintenance fee are required.
